

Amendments to the Drawing

Applicant is submitting new Figs. 5A-5H. As suggested by the Examiner, the drawings now show every feature of the invention specified in the claims. More specifically, the rotational steps for writing a logic "0" are shown. No new matter is herewith believed to have been entered.

Attachments: New Sheet

REMARKS/ARGUMENTS

With reference to the drawing objection, enclosed herewith is a proposed correction for which are being presented in the form of black and white line drawings. No new matter has been added. Figs. 5A-5H show the rotation steps for writing a logic "0".

The specification has been amended to support the entry of new Figs. 5A-5H. Applicant has taken the subject matter for writing a logic "1" from page 12, line 10 to page 13, line 10 and changed the logic levels and the angles for writing a logic "0". Please note that Figs. 5A-5H are merely a reversal of Figs. 3A-3H.

In view of the forgoing, reconsideration and request for entering new drawing figures is herewith solicited.

Respectfully submitted,

/Ralph E. Locher/

Ralph E. Locher
